Neither the Corporations Act nor the Company's constitution requires a vote of Shareholders on the Reports or Financial Statements. However, Shareholders will be given reasonable opportunity to raise questions on the reports and ask questions of the Company's Auditor.

The Company advises that a copy of its 2024 Annual Report, is available to download at the website address, [www.junominerals.com.au](http://www.junominerals.com.au).

## 2. Resolution 1: Adoption of Remuneration Report

### 2.1 Background

The Remuneration Report sets out the Company's remuneration arrangements for the directors and senior management of the Company. The Remuneration Report is part of the directors' report contained in the annual financial report of the company for a financial year.

The Chairman of the Meeting must allow a reasonable opportunity for its shareholders to ask questions about or make comments on the Remuneration Report at the Meeting.

### 2.2 Corporations Act requirements

Section 250R(2) of Corporations Act requires a listed public company put a resolution to its shareholders that the remuneration report set out in the directors' report for the preceding financial year be adopted. The resolution is advisory only and does not bind the relevant company or its directors.

If 25% or more of votes that are cast on the resolution are voted against the adoption of the remuneration report at two consecutive annual general meetings of a company, its shareholders will be required to vote at the second of those annual general meetings on a resolution that a further meeting be held within 90 days at which all of the offices of director are vacated (other than the office of managing director) and each such office will be put to a vote.

### 2.3 Resolution

Resolution 1 is an ordinary resolution to approve the Remuneration Report. The Remuneration Report is set out in the Directors' report which forms part of the 2024 Annual Report.

The vote on Resolution 1 is advisory only and does not bind the Board or the Company. Notwithstanding, the Board will take the outcome of the vote into consideration when considering remuneration policy of the Company going forward.

## 2.4 Directors Recommendation

The Directors decline to make a recommendation as to how Shareholders should vote in respect of Resolution 1 as they each have an interest in the outcome of the Resolution.

## 3. Resolution 2: Re-election of Director – Mr Marc Ber

### 3.1 Background

On 1 March 2024, the Board appointed Marc Ber as a Non-Executive Director pursuant to clause 7.1(d) of the Constitution.

Resolution 2 is an ordinary resolution to approve the re-election of Mr Ber as a Director.

If Resolution 2 is not passed, Mr Ber will not be re-elected to his current directorship position. The Resolution will not affect any other office or employment position which Mr Ber holds with the Company or its Related Bodies Corporate.

### 3.2 Listing Rule and Constitution requirements

Clause 7.1(d) of the Company's Constitution allows the Directors to appoint at any time a person to be a Director, either to fill a casual vacancy or as an addition to the existing Directors, but only where the total number of Directors does not at any time exceed the maximum number specified by the Constitution.

Listing Rule 14.4 and clause 7.1(e) of the Constitution provide that a director appointed to fill a casual vacancy or as an addition to the board must not hold office (without re-election) past the next annual general meeting.

A Director retiring from office under clause 7.1(e) of the Constitution may stand for re-election under clause 7.1(h) of the Constitution.

Accordingly, Mr Ber is required to retire at or before the Meeting.

### 3.3 Biography

Marc Ber is a shareholder and director of Safika Holdings (Pty) Ltd and Chief Executive Officer of Safika Resources (Pty) Ltd (collectively Safika), which has a greater than 20% voting power in Ntsimbintle Holdings (Pty) Ltd (Ntsimbintle). Ntsimbintle is a substantial shareholder of the Company.

Marc has a wealth of experience in the business world and has been instrumental in driving Safika's success and growth since its inception in 1995, joining Safika in 1998.

Beyond the boardroom, Marc was chairperson of the Speech and Language Impaired Centre and a member of the Board of Governors at the Bellavista School in Johannesburg.

Marc is Chair of the Company's Audit & Risk Committee.

### 3.1 Directors Recommendation

The Directors (other than Mr Ber) recommend that Shareholders vote **in favour** of Resolution 2. Mr Ber declines to make a voting recommendation noting his interest in the Resolution.

## 4. Resolution 3: Re-insertion of Proportional Takeover Provisions

### 4.1 Background

Schedule 1 of the Company's Constitution currently contains provisions dealing with proportional takeover bids for the Company's Shares. These provisions were inserted in the

Company's Constitution which was adopted on 10 November 2020 and, in accordance with Clause 3.1(b) of Schedule 1 of the Constitution, these provisions expired on 10 November 2023.

A proportional takeover bid occurs when a bidder offers to acquire only a proportion of each Shareholder's shares (e.g. 30% of each Shareholder's shares).

Under the Corporations Act, companies may include proportional takeover rules in their constitutions that enable Shareholders to vote on a proportional bid 'in-principle' before a proportional takeover bid is permitted to proceed.

The proportional takeover bid provisions are contained in Schedule 1 of the Constitution and are designed to assist Shareholders to receive proper value for their Shares if a proportional takeover bid is made for the Company.

Under the Corporations Act, these provisions must be renewed every three years, or they will cease to have effect. When the provisions cease to apply, the Constitution is altered by omitting the provisions (section 648G(3) of the Corporations Act). If re-inserted, the proposed proportional takeover provisions will be in exactly the same terms as the existing provisions and will have effect for a three-year period commencing on 27 November 2024.

Section 648G(5) of the Corporations Act requires that the following information be provided to Shareholders when they are considering the inclusion or renewal of proportional takeover provisions in a constitution.

#### **4.2 Effect of the provisions to be re-inserted**

If the provisions are re-inserted, and a proportional takeover offer is made to Shareholders, the Board will be required to convene a meeting of Shareholders to vote on a resolution to approve the proportional takeover offer. That meeting must be held at least 14 days before the offer under the proportional takeover bid closes.

The resolution shall be taken to have been passed if a majority of Shares voted at the meeting, excluding the Shares of the bidder and its associates, vote in favour of the resolution. If the resolution is rejected, then in accordance with the Corporations Act, the offer will be deemed to be withdrawn and transfers that would have resulted from acceptance of a bid will not be registered.

The Directors will breach the Corporations Act if they fail to ensure the approving resolution is voted on.

If no resolution is voted on before the end of the 14<sup>th</sup> day before the close of the offer, the resolution will be deemed to have been passed. Where the resolution approving the offer is passed or deemed to have been passed, transfers of shares resulting from accepting the offer will be registered provided they comply with the Corporations Act, the ASX Listing Rules, the ASX Settlement Operating Rules and the Constitution.

The proportional takeover approval provisions do not apply to full takeover bids and only apply for three years after the date of adoption of the provisions. The provisions will cease to apply unless renewed at the end of 3 years after their adoption.

#### **4.3 Reasons for the provisions to be re-inserted**

Without proportional takeover provisions, control of a target company may pass without Shareholders having the chance to sell all of their shares to the bidder. This means the bidder could take control of the target without paying an adequate premium, whilst potentially leaving shareholders with a minority interest. To deal with this, a company may provide in its constitution that if a proportional takeover bid is made for shares in that company, shareholders must vote on whether to accept or reject the offer and that decision will be binding on all shareholders.

By adopting the proportional takeover provisions, Shareholders will have an opportunity to reject a proportional takeover bid by voting on the proportional takeover offer resolution.

#### **4.4 Present acquisition proposals**

As at the date of this Notice of Meeting, no Director is aware of a proposal by any person to acquire or to increase the extent of a substantial interest in the Company.

#### **4.5 Review of proportional takeover provisions**

Schedule 1 of the Company's Constitution was last in effect from 10 November 2020 to 10 November 2023. During that time, there were no proportional takeover bids made for the Company. Accordingly, there are no actual examples against which to assess the advantages or disadvantages of the proportional takeover provisions for the Directors and Shareholders of the Company.

The Directors are not aware of any potential proportional takeover bids that were discouraged by the proportional takeover provisions.

#### **4.6 Potential advantages and disadvantages for Directors**

Adoption of the proportional takeover provisions enable the Directors to formally ascertain the views of Shareholders in respect of a proportional takeover bid. Otherwise, the Directors consider that the renewal of Schedule 1 has no potential advantages or disadvantages for them in their capacity as Directors.

#### **4.7 Potential advantages for Shareholders**

The potential advantages of adopting the proportional takeover provisions for Shareholders are:

- (a) Shareholders have the right to determine by majority vote whether a proportional takeover bid should proceed or not;
- (b) the provisions may help Shareholders avoid being locked in as a minority;
- (c) the provisions may give Shareholders increased bargaining power and ensure any potential bid is adequately priced; and
- (d) knowing the consensus of majority Shareholders may assist individual Shareholders in assessing the likely outcome of the takeover bid and whether to accept or reject an offer under the bid.

#### **4.8 Potential disadvantages for Shareholders**

The potential disadvantages of the proportional takeover provisions for Shareholders are:

- (a) proportional takeover bids for Shares in the Company may be discouraged;
- (b) Shareholders may have reduced opportunities to sell all or some of their Shares at a premium to a potential bidder aiming to seek control of the Company, and any takeover speculation element in the Company's share price may be reduced;
- (c) the likelihood of a successful proportional takeover bid may be diminished; and
- (d) the provisions may be considered an additional restriction on the ability of individual Shareholders to deal freely in their Shares.

#### **4.9 Directors' recommendation**

The Directors consider that the potential advantages for Shareholders of re-inserting the proportional takeover provisions outweigh the potential disadvantages as Shareholders as a whole would be able to decide whether or not a proportional takeover bid is successful. The Directors further consider that re-inserting the takeover provisions would have no potential advantages or disadvantages for them in their capacity as Directors.

If this Resolution 3 is approved, the re-inserted proportional takeover provisions will take effect from the date of the Meeting.

## 5. Resolution 4: Approval of Additional Issuance Capacity

### 5.1 Background

Resolution 4 seeks Shareholder approval for an additional issuing capacity under Listing Rule 7.1A (**Additional Issuance Capacity**).

If approved, the Resolution will enable the Company to issue additional Equity Securities (calculated below) over a 12-month period without having to obtain Shareholder approval. If the Resolution is not approved, the Company's ability to issue Equity Securities without Shareholder approval will remain limited to the amount permitted under Listing Rule 7.1.

Resolution 4 is a special resolution. It must be passed by at least 75% of the votes cast by Shareholders present and entitled to vote on the Resolution.

### 5.2 Applicable Listing Rules

Listing Rule 7.1A provides that an eligible entity may seek shareholder approval by way of a special resolution passed at its annual general meeting, to allow it to issue Equity Securities totalling up to 10% of its issued share capital through placements over a 12-month period after the annual general meeting (i.e. the Additional Issuance Capacity). This capacity is in addition to the 15% annual issuance capacity under Listing Rule 7.1.

An "eligible entity" for the purposes of Listing Rule 7.1A is an entity that is not included in the S&P/ASX 300 Index and has a market capitalisation of \$300 million or less. The Company meets the requirements of an eligible entity for this purpose because it is not included in the S&P/ASX 300 Index and has a market capitalisation of less than \$300 million.

### 5.3 Overview of Listing Rule 7.1A

#### (a) Quoted securities

Equity Securities issued under the Additional Issuance Capacity must be the same as an existing class of Equity Securities of the Company quoted on ASX.

As at the date of the Notice, the Company has one class of quoted Equity Securities on issue, being fully paid ordinary shares.

#### (b) Formula for calculating Additional Issuance Capacity

Listing Rule 7.1A.2 provides that the Company may issue or agree to issue a number of Equity Securities calculated in accordance with the following formula under the Additional Issuance Capacity:

$$\text{Additional Placement Capacity} = (A \times D) - E$$

where:

- A** is the number of Shares on issue at the commencement of the Relevant Period:
- plus the number of Shares issued in the Relevant Period under an exception in Listing Rule 7.2 (other than exceptions 9, 16 or 17);
  - plus the number of Shares issued in the Relevant Period on the conversion of convertible securities within Listing Rule 7.2 exception 9 where:
    - the convertible securities were issued or agreed to be issued before the commencement of the Relevant Period; or
    - the issue of, or agreement to issue, the convertible securities was approved, or taken under these rules to have been approved, under Listing Rules 7.1 or 7.4;

- plus the number of Shares issued in the Relevant Period under an agreement to issue securities within Listing Rule 7.2 exception 16 where:
  - the agreement was entered into before the commencement of the Relevant Period; or
  - the agreement or issue was approved, or taken under these rules to have been approved, under Listing Rules 7.1 or rule 7.4;
- plus the number of Shares issued in the Relevant Period with approval under Listing Rules 7.1 or 7.4;
- plus the number of partly paid ordinary securities that became fully paid in the Relevant Period; and
- less the number of Shares cancelled in the Relevant Period;

**D** is 10%; and

**E** is the number of Equity Securities issued or agreed to be issued under Listing Rule 7.1A.2 in the Relevant Period where the issue or agreement has not been subsequently approved by the Shareholders under Listing Rule 7.4.

**Relevant Period** means the 12 month period immediately preceding the date of the issue or agreement.

(c) **Interaction with Listing Rule 7.1**

Listing Rule 7.1 limits the number of Equity Securities that an entity may issue without the approval of its shareholders over any 12 month period to 15% of the fully-paid ordinary shares it had on issue at the start of that period, subject to certain exceptions.

The Additional Issuance Capacity under Listing Rule 7.1A is in addition to the Company's 15% placement capacity under Listing Rule 7.1.

## 5.4 Listing Rule requirements

The following information is provided in relation to Resolution 4, in accordance with Listing Rule 7.3A:

(a) **Period over which approval will be valid**

The Additional Issuance Capacity will commence on date of the Meeting and expire on the earlier of:

- 12 months from the Meeting date;
- the Company's next annual general meeting; and
- when a transaction under Listing Rules 11.1.2 (change to nature or scale of activities) or 11.2 (change involving main undertaking) is approved by Shareholders.

(b) **Minimum price at which Equity Securities may be issued**

The issue price of any Equity Security under the Additional Issuance Capacity will not be less than 75% of the VWAP for securities in the same class, calculated over the 15 trading days on which trades in that class were recorded immediately before:

- the date on which the price at which the securities are to be issued is agreed; or
- if the securities are not issued within 10 trading days of the date above, the date on which the securities are issued.

(c) **Purposes for which funds may be used**

The Company does not have any current intention to issue Equity Securities using the Additional Issuance Capacity. However, it may decide to do so for cash consideration to fund working capital requirements, advancing projects (including those outlined in its initial public offer prospectus), potential acquisitions, meet financial commitments and capital management activities.

The Company will comply with the disclosure obligations under Listing Rules 7.1A.4 and 3.10.3 upon any issue of Equity Securities under Listing Rule 7.1A.

(d) **Risk of economic and voting dilution**

Any issue of Equity Securities under the Additional Issuance Capacity will dilute the interests of Shareholders who do not receive Shares under the issue.

If Resolution 4 is approved and the Company issues Equity Securities under the Additional Issuance Capacity, then there is a risk to existing Shareholders of economic and voting dilution, including the risk that:

- the market price for Equity Securities in the same class may be significantly lower on the issue date of the new Equity Securities than on the date of the Meeting; and
- the new Equity Securities may be issued at a price that is at a discount to the market price for Equity Securities in the same class on the issue date.

This may have an effect on the amount of funds raised by the issue of the Equity Securities.

The table below identifies the potential dilution to existing Shareholders following the issue of Equity Securities under the Additional Issuance Capacity (based on the formula set out above) using different variables for the number of issued Shares and the market price of Shares.

|  |             | Dilution                                  |   |             |                 |

| 100% increase  | 363,890,520 | 36,389,052                                | \$509,447   | \$982,504   | \$1,491,951     |

**Notes:** The above table has been prepared on the following assumptions:

1. the current market price is the closing price at which Shares were traded on 18 October 2024 (being \$0.027);
2. the current Shares on issue are the Shares at 18 October 2024 (being 181,945,260);
3. the Company issues the maximum number of Equity Securities available under the Additional Issuance Capacity;
4. existing Shareholders' holdings do not change from the date of this Meeting to the date of the issue under the Additional Issuance Capacity;
5. the Company issues Shares only and does not issue other types of Equity Securities (such as Options) under the Additional Issuance Capacity; and
6. the impact of placements under Listing Rule 7.1 or following the conversion of convertible securities (e.g. Options) is not included in the calculations.

(e) **Allocation policy**

The Company's allocation policy is dependent on the prevailing market conditions at the time of any proposed issue pursuant to the Additional Issuance Capacity.

The Company has not yet identified allottees to receive the Equity Securities under the Additional Issuance Capacity. However, they may include current Shareholders, new investors, or both. None of the allottees will be Related Parties or Associates of Related Parties.

Potential allottees will be determined on a case-by-case basis having regard to the factors including but not limited to the following:

- the purpose of the issue;
- the methods of raising funds that are available to the Company including, but not limited to, an entitlements issue or other issue in which existing security holders can participate;
- the effect of the issue of the Equity Securities on the control of the Company;
- the financial situation and solvency of the Company;
- prevailing market conditions; and
- advice from corporate, financial and broking advisers (if applicable).

(f) **Details of prior issues**

Since the approval of the Company's Additional Issuance Capacity under Listing Rule 7.1A at the Company's 2023 annual general meeting, the Company has not issued any Equity Securities under Listing Rule 7.1A in the 12 months prior to the Meeting.

## 5.5 **Directors' recommendation**

The Directors unanimously recommend that Shareholders vote in favour of Resolution 4 as it will give the Company the flexibility to raise additional working capital whilst preserving the Company's cash reserves.
